## SUPPORT LOCAL SCHOLARSHIPS FOR YOUTH IN AGRICULTURE

Each year the Watertown Agri-Business Club organizes a local dairy breakfast on Father's Day weekend. The breakfast, in combination with our raffle, is our only fundraiser for the year with proceeds supporting local youth through scholarships and community projects.

To support this effort, we are requesting businesses and/or individuals to contribute a monetary donation, product donation or select raffle prize items to our event.

## DAIRY BREAKFAST COMMITTEE

---

Dear Agriculture Industry Supporter,

June Dairy Month is quickly approaching and that means the annual Watertown Agri-Business Dairy Breakfast is too! If you are unfamiliar, our club organizes a breakfast on a farm every year. It moves from farm to farm in Watertown and surrounding rural communities. The money raised from the breakfast and raffle is given back to the community in several ways. The majority of our funds are awarded as scholarships to local youth pursuing a degree in an agricultural field. We also help fund local agricultural projects and food banks.

Our event is on Father's Day Weekend, June 17-18, 2023 from 7:00 AM - 12:30 PM each day. We are very excited to feature Zweig's Maple Acres in Ixonia, Wisconsin as the host farm this year. The Zweig's are sixth generation farmers who run a small-scale, high-tech dairy near Lebanon. We're excited for thousands of guests to see their pristine dairy.

Our breakfast is coordinated by a team of dedicated volunteers, but wouldn't be possible without partners in the community like you. We are asking for your support. All donors will be recognized at the breakfast. For those that have supported the breakfast in the past, thank you for your continued support. If you are new, we appreciate your interest. Events like this would not be possible without wonderful sponsors like you and our strong community!

We appreciate your time.

Thank you,

---

Brad Brusveen
